- Smooth finish on all models
- Colour; Smooth Brass, Smooth Alloy or Smooth Stainless

Included hardware:

- 2 fork/frame "L" Brackets,
- 4 "R" clips for mounting stays to braze-ons,
- 2 stays, 4 screws for attaching Stays to fender and nuts & bolts

Bike Fit Highlights

BFDV50210

The Bike Fite Highlights DVD is a supplement to the Bicycle Fitting System's Manul. This DVD is a great tool that works in conjunction with the manual for a complete, easy to understand, step by step process.

Run time: 19min

Tough as Hell

ALDV1DVD001B

The Blk Mrkt Bikes team is charging into the future with a flurry of whips, flips and 3s with an amazing push of aggression and amplitude that has to witnessed. We rolled with Carter Holland, Adam Hauck and Phil Sundbaum around the US, Canada and Europe and captured the carnage. There's also footage of other Atomlab riders like Joe Perrizo, John Jesme, Hacksaw and many others.
