FSTL390-1090
T-30 torque wrench for chainring bolts

FSA Spoke Wrench
FSTL752-5000
Suit FSA wheels using inverted nipple
Works with external nipples as well

FSA Extended Spoke Wrench
FSTL752-5010
Work Shop quality
Suit FSA wheels using inverted nipple

FSA Spoke Tensionmeter Gauge
FSTL752-5050

- ISO and JIS certified indicator, 5 micron repeatability
- Precision ball bearing spoke rollers
- Easy to handle and use
- Calibrated and serial numbered
- Accuracy guaranteed for 10 years
- Unique deflection system gives universal readings irrespective of spoke gauge
- Full jeweled dial movement; shock , dust and water proof

IXS M08 Crank Extractor
IXTL-WTL-05
For cranks with Square tapered BB and M8 bolts
IXS M15 Crank Extractor
IXTL-WTL-10
For cranks using ISIS or Octalink BB's and M15 bolts

IXS Howlowtech II Bottom Bracket Spanner
IXTL-WTL-15

IXS 15mm Pedal Spanner
IXTL-WTL-20
For tighten and removing Pedals

IXS Chain Whip Cassette Remover
IXTL-WTL-25

IXS Cassette Remover
IXTL-WTL-30

IXS ISIS Bottom Bracket Spanner
IXTL-WTL-35

IXS Speedlever
XTLV100
• Truing feature
• Adjustable length

IXS X-TLV105
XTLV105
• 3pc
• Compact design

Soma Lo Pro 8 Tool
A super low-profile tool. So thin it will fit easily in your seat bag side pocket or jeans coin pocket. All steel construction.
• 2, 3, 4, 5, 6mm hex wrenches
• T25 Torx wrench
• Flat head screwdriver
• #1 Phillips screwdriver

Soma Steel Core Tyre Levers
SMTL80494 box SMTL80495
Tyre makers have been making beads tighter and tighter over the years to increase performance. This has made it tougher to remove tyres and more levers are breaking.
• Steel core
• Slim, easy to use shape
• Will not gouge alloy rims or pinch tubes

WHEELS MANUFACTURING INC.

Wheels Manufacturing Emergency Derailleur Hanger Multi Tool
